## DAYS OF DISCOVERY SUMMER CAMP

Welcome to a summer filled with fun memories! We have thoughtfully planned each week as a separate theme that will be an adventure for your child. We will include many fun activities that will help your child to enjoy the summer time and love new experiences.

Each week we will have a cooking experience, picnic and movie day, splash day with a Popsicle treat, and a music and body movement class related to the weekly theme. Activities such as painting, arts and crafts projects, puzzles, and more are all a part of the fun in our program. Our classrooms are set up to provide your child with as much creative play as possible. We have reading centers, a kitchen area, dress-up, Play dough, art centers, and manipulative play centers.
